

On December 7th, Dennis Walsh and Robin Farran will represent the Arizona Golf Association and play 100 holes of golf along with other intrepid golfers to raise money for the Junior Golf Association of Arizona.

Marathon 2009 !!

The JGAA is a wonderful organization that changes the lives of kids through golf.

On December 7th, We will play 100 holes of golf, hopefully with your support.

The 100-Hole Marathon provides the financial support for programs that provide affordable opportunities for Rules and Etiquette clinics, instruction and participation in junior golf tournaments for boys and girls, beginners to advanced players, in age groups from 3-18 years of age. Equipment, lessons and events are available for all kids regardless of the ability to pay any fees.

The JGAA uses our contributions very efficiently with a small staff and the generous support of volunteers representing the golf facilities and staffs as well as the professional and amateur golf associations in our state.

(The JGAA is a 501(c)(3) organization. All contributions are fully tax-deductible.)

Please provide your sponsorship amount, email address and mailing address for the JGAA Marathon database. You will receive a letter for tax purposes.

Thank you so much!
Dennis and Robin
