

ENTRY AND POSTING SCORES

On the home page, you will see a tab call "V-Tour". Click on that tab for links to sign up and to post your scores. Updated results will be posted every Friday during the tournament.

Sign-up

Go to azgolf.org and log in. If you've never used logged into our site before, you will need to select "first time login" in order to set up a username and password. You will need your AGA member number (you can find your member number on your handicap label or your 2010 Member Card).

Once logged in you will see a V-Tour banner on the left hand panel. Click on the banner to go to the information page about this tournament. Click on the **SIGN UP** button on the top right of the page. Your member information will automatically be populated on the page. Make sure the information is correct and then press continue. Your information will be entered into your shopping cart with \$0.00 entry fee. Go through the entire checkout process until your get a confirmation notice that you are entered. A confirmation email will be sent to you.

Posting Scores

Once you have played one of the participating golf courses, come back to azgolf.org and

1. Click on the "post scores" button that appears under the "v-tour" tab on the home page.
2. From the club drop down list, choose the "AGA Virtual Tournament". Enter your AGA member number and then click **sign on**. Enter your password and click **LOGIN**. Although the screens look different than you normally see when posting scores at azgolf.org, the score posted here will automatically be updated in your handicap record.
3. Enter the score, the date, select which participating club you played and the tees played.
4. Indicate how many players were in your group (including you) that will attest to your score. Once clicked you will be asked to enter their names. It asks for member number and name; if the person attesting the score is not an AGA member, just enter the name. Click **NEXT**. Verify the information and post the score.
