Over the years, we have lost some wonderful ladies. This is in memorium of our pals that are no longer with us. Rest in Peace friends, we remember and miss you.

## **Connie Tafoya 2021**

Funny, gregarious and joyful, Connie was one of a kind. She never was fearful of anything, ever. We will remember her for her knee socks, party-ability and laughter! There will never be another Connie - we will miss her and remember every fabulous thing about Miss Connie!

## **Sandy Butwin 2020**

An original member of LTLC, Sandy was everything everyone wanted to be. She was kind, soft spoken, caring, happy and active. She withstood great trauma in her life yet forged ahead with a smile on her sweet face. We will miss you Sandy

**Daisy Kaplan 2020**

What a pistol was Daisy!!! She was outspoken, unapologetic and hilarious! As a child, she and her family escaped the Nazis and wound up in the USA. Her obituary is a beautiful tale of her life. Daisy was a character that will be remembered and missed! [Daisy Kaplan Obituary - Death Notice and Service Information \(legacy.com\)](#)

**Carol Reynolds 2016**

Oh Carol - she putted from 40 yards off the green and was the first to play music during golf! Carol was a pioneer and a partier! Always happy and always a friend. Carol had a serious heart condition, but it never stopped her from ANYTHING. She was a force that will be remembered!
