- We are now using our new CTP measuring tapes. CTPS are now given out in two flights for 14 and less and 15 and higher handicaps, Please note that scorecards reflect two extra strokes for players on the Green tees, but your handicap for the CTPs does not include the two extra strokes.

- Our Wild Safari event will be on Friday, April 26<sup>th</sup>, 2019. This is our invitational which we have evolved into a tournament/fundraiser benefiting the ASU Women's Golf program. Registration fee is TBD but will be more expensive than last year as the whole experience will be better. A save the date notice will be sent out shortly.
- ASU will be much more involved with this fundraiser. Many major donors will be invited to play once the event opens to the public.
- Sign-ups will go fast. The field will remain at 128 players (32 foursomes).

## **Future Lunch Plans**

## **Betsy Owen**

We are still working out the best way to provide lunch for the PWGA members when we have group meetings/events. With the new restaurant, there are three buffet options at \$25.00 that we feel are too expensive to offer. We have heard from our members that they would like a vegetarian, gluten free, and salad option for the group lunches. There was a bottleneck paying for food at the Take 5 window, even though items had been pre-ordered. We will be working with Daryl and the restaurant team to determine the best time and process to pay for lunches when we check in. The pro shop cannot collect for food, so we may ask players to pay for lunch at the bar prior to play. Please be patient while we work out the details.

## **Clubhouse Operations**

## **Daryl Crawford**

- The new clubhouse and restaurant is evolving with its processes as it is open longer and gets more experience. Evie's Pavilion is expected to open in December. The PWGA will be able to use it for meetings and events.
- Matt Norreuse is the new golf course superintendent and most recently comes from Cave Creek golf course. They are cleaning up areas of the course that have been beaten up, i.e. golf cart paths, tree stumps etc.
- The ASU teams have moved in and using their facility to the east of the clubhouse
- The McDowell Road entrance will be ready once the signage is available. The signage should be in place shortly
- The golf league's bulletin board should be in place shortly. Location of the board is tbd
