

January 28th PWGA General Membership Meeting

Welcome

Sally Coffin

Sally calls the meeting to order at approximately 1:30 pm and welcomed everyone.

Papago Golf Club Update

Daryl Crawford

Daryl started off his talk explaining the construction schedule this summer for the AZ Golf building by the 18th green. He explained that the 18th and 9th greens as well as the 10th and 1st tees will be moved a little bit to accommodate the construction. He also discussed the challenge of adding additional tee slots. There is a chance we will get more tee slots next season and if we changed our play date from Friday to another weekday, we would have a much better chance of getting more slots.

Budget Review

Ann Kuhn

Our league is in particularly decent shape financially. We will be increasing the payouts for the winner of the President's Cup and Club Championship to \$100. We will also be serving a lunch for the meeting attendees at our last general membership meeting in March. When we end our season, this spring the Board will review the budget to see if any changes are made next year, i.e., increased payouts.

AGA Membership Sign Ups

Betsy Owen

There are currently seven members that have not paid the AGA portion of their PWGA membership. Betsy reminded everyone at the meeting that for every golf association you play with you need an AGA membership for that club. If you belong to five associations, you will need five AGA memberships. AGA membership fees are prorated if you belong to multiple clubs.

Can you remove loose impediments? 4. When a stake, red or yellow, interferes with my swing, I may remove it? All correct answers are Yes. Stakes identify, lines define. If no line use stakes to identify imaginary line. Drop, drop, place ball.
