

GUARDIAN MANAGEMENT

In late-October, the concept of “Guardian Management” will be introduced within the Admin Portal site. The goal of this release is to allow administrators to begin collecting information and establishing a link between minors and juniors and their guardians in preparation for the Digital Profile launch in January of 2021.

From a golfer experience standpoint, nothing will change when Guardian Management is released in October. However, administrators of the Admin Portal will see the following changes:

ADDING A MINOR GOLFER

When adding a golfer, a new section will automatically appear if the birthdate provided by the user indicates that the golfer is a minor.

Note: The birthdate provided indicates this golfer is a minor. A guardian is required for golfers less than 13 years of age. The guardian must be at least 19 years of age.

Does the guardian have a GHIN Number? *

Yes No

At the top of the new section indicated above, there is a Note indicating that a guardian is required for a minor golfer. The first question you will be asked is if the guardian has a GHIN number.

- If you answer “YES” you will be asked to enter the GHIN Number. If the GHIN number is valid, the information you see here is automatically pulled from the profile. If it is not, you will be notified that GHIN Number entered doesn’t exist.
 - Note: Guardians who are also golfers (have a GHIN#) do not need to have an active club membership to be a guardian.

- If You answer "NO" (guardian does not have a GHIN #) you will need to fill out the required information manually.
- One additional piece of information we are going to collect is “Relationship to Minor” (I.E. “father”, “mother”, “coach”).

ADDING A JUNIOR GOLFER (13-18 years old)

A Junior golfer is not required to have a guardian assigned to them. An email address will be required for a junior if they do not have a guardian assigned to them (*this requirement will be put into place after the October release*). When a guardian is assigned, an email address is optional. If an email address is entered for both the junior and a guardian, all communications would be sent to both the golfer and the guardian.

Note: The birthdate provided indicates this golfer is a junior (> 13 but < 19 years of age). A guardian is not required, but can be added for Junior golfers. The guardian must be at least 19 years of age.

IMPORTANT THINGS TO REMEMBER

GOLFER PRODUCTS IMPACT

When a guardian has minors attached to their account, they will be able to select which golfer to proceed as when they log in. This is similar to how a golfer chooses a specific club in the Mobile App if they belong to more than one.

A guardian can also switch between golfers within the menu of both the GHIN Mobile App and ghin.com.

And lastly, if a golfer is identified as a minor they will NOT be able to post scores via the Kiosk and the ability for a guardian to post for a minor will not be allowed either.
